

Homework Year 4 – Autumn 1 - Week 3 – Due 25/09/24

The week's maths focus is Place Value and rounding numbers to the nearest 10, 100 and 1000

Mild

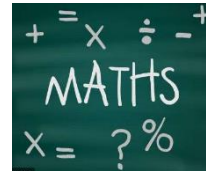

1. Cindy and Kyle are rounding the number below to the nearest 100.

5 hundreds, 5 tens and 5 ones

Kyle: The answer is 500.

Cindy: The answer is six hundred.

Who is correct?

Spicy

2. Round each number to the nearest 100 to find the odd one out. Write the odd one out for each part in the answer boxes below.

A.

667	six hundred and forty-two
698	six hundred and eighty

B.

389	three hundred and six
two hundred and ninety	341

Remember to practice your 6x Times Tables on TT Rockstars

Hot

3. Taylor is thinking about rounding to the nearest 100.

This number rounded to the nearest 100 is 700.

Is Taylor correct? Explain your answer.

Diagram: A central circle with '?' is connected to three circles below it: '700', 'fifty', and 'five'.

Reading

Remember to read 3 times and record in in your reading record.

**Our spellings this week are words with the suffix -ly**

The week's English focus is to develop our understanding of persuasive writing techniques

Write a persuasive advert about a topic of your choice.

Remember to use:

- Rhetorical questions
- Similes
- Alliteration
- Emotive language

The week's IPC focus is about understanding the strategies to help us become regulated and help us learn.

Ask me about...

What is a mnemonic device? (Remember the song about the solar system)

If someone is being unkind on the playground, what is the best choice you can make?
